LIBRARY SNAPSHOT: CHILDREN'S AREA REORGANIZATION

To better utilize limited shelf space for our ever-expanding collections, in February the **Picture Book** section switched locations with **Juvenile Nonfiction**. Picture Books are now found on the low shelves as you enter the Children's Area with extra space to expand, and Juvenile Nonfiction can now be found on the taller shelves.

These new locations will hopefully also make browsing easier: in our library, our Picture Books are more likely to be browsed by children while Juvenile Nonfiction is generally browsed by their parents.

LIBRARY SNAPSHOT: TONIES

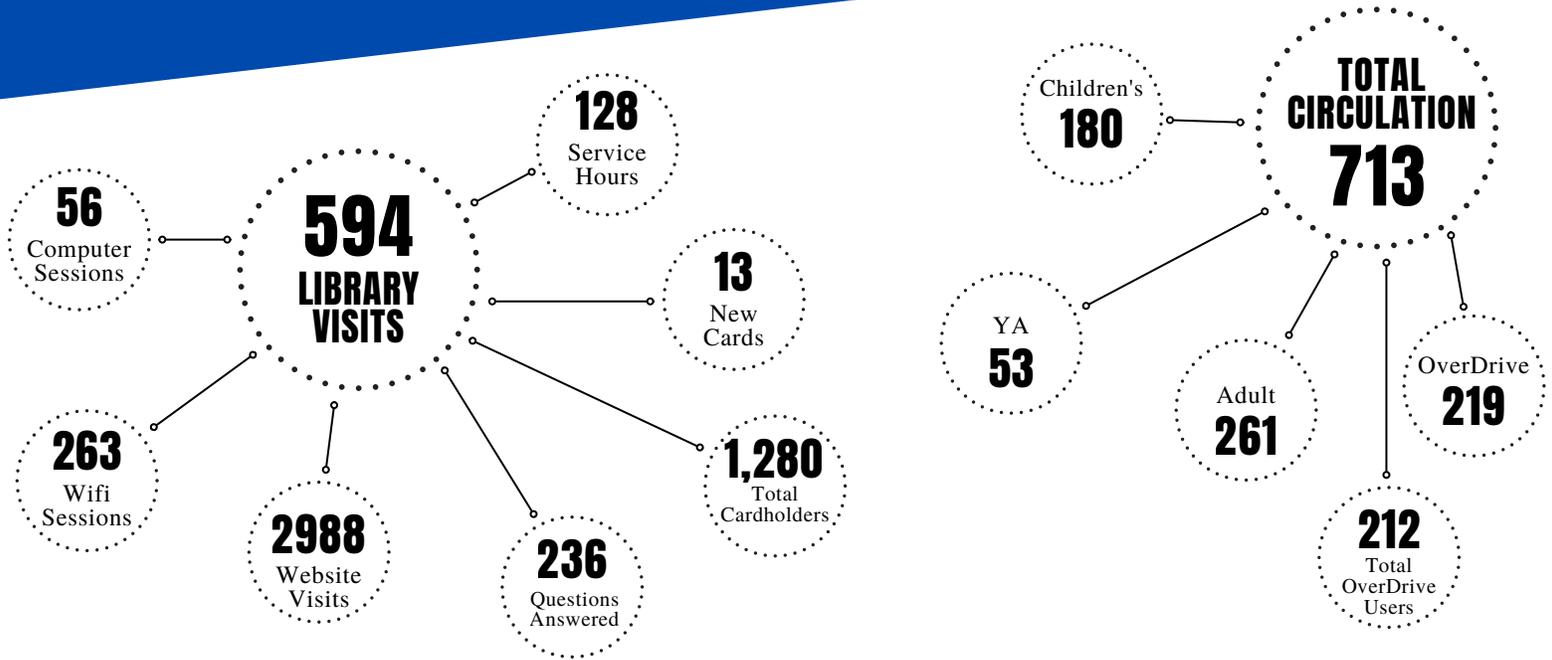

- This month the library added Tonies to our growing collection of Library of Things! Tonies explore stories, songs, & games through screen-free independent play & are designed to grow with children as they age. Stories are geared for as young as ages 1+. Many stories are read & sung by the author.
- The library has 1 Toniebox for checkout, 1 Toniebox for outreach (such as to local preschools), & a growing selection of more than 20 Tonie characters to choose from. Simply turn on the Toniebox, & place the magnetic Tonie on top of the box: the Tonie will automatically play & stop once the Tonie is removed.
- **Interested to learn more?** Ask at the Mildred Whipple Library desk for a demonstration or to be next in line to take home the Toniebox for checkout.
